Sunday, April 26, 2015

Right this moment there is a book, and in that book your name is either written in it, or it is not.

If you were to put this book in a library, it would be labeled as “non-fiction.”

You cannot afford to be mistaken about this book.

There are two verses in the last book of the Bible that will be our focus this morning:

1. Revelation 20:15 “And if anyone’s name was not found written in the book of life, he was thrown into the lake of fire.” (NASB)
“Found”
2. Revelation 21:27 “and nothing unclean, and no one who practices abomination and lying, shall ever come into it, but only those whose names are written in the Lamb’s book of life.” (NASB)

I don’t want you to die thinking your name was written in the Lamb’s Book of Life, and then discover there is no _____ of your name.

How sure are you that your name is there?

There are a few Books mentioned in the Bible that we need to clarify.

Revelation 20:12 “And I saw the dead, great and small, standing before the throne, and books were opened. Then another book was opened, which is the book of life. And the dead were judged by what was written in the books, according to what they had done.” (ESV)
